MANY FACES OF A CLOWN

One actor. Countless characters.
Endless imagination.

Throughout the performance, Georgiy Deliyev transforms from one character to another with remarkable speed and precision.

Each character has a unique personality and emotion, moving naturally from comedy to tenderness.

Every transformation becomes a new story told without a single word.

“ Every character tells a different story — without a single word. ”

BEYOND WORDS

Physical theatre.
Pure emotion.
Universal language.

One Fool Show is a wordless clown performance full of humour, poetry and human emotion.

A story told through the body, felt by the heart.

A performance that speaks to everyone, everywhere.

“Clowning is the art of saying everything without saying a word.”
